# Join Our Eco-Sensitive Whale Watching & Wildlife Adventure!

With St. Andrews' Most Experienced Captain! "There's No Substitute For Local Knowledge"

## Our Mission...

Island Quest strives to deliver a Bay of Fundy adventure that is highly educational and exciting, and at the same time fosters an environmentally sustainable product that offers respect for our marine wildlife and its habitat.

## Unique!

Island Quest Marine is a locally owned and operated family business; Captain Chris comes from a long line of fishermen and boat builders who have navigated the waters of the Bay of Fundy for generations. Growing up in a local fishing village, Chris, lured by a family tradition, spent years scalloping, lobstering and working in our traditional fishery, the herring weirs. After studying two years of boat building, Chris decided to change gears and head back to the Bay to share his extensive knowledge and love for the ocean aboard a v-hull he purchased and custom finished himself. Unique and authentic are the stories and demonstrations Chris and his crew will describe on your 2½ to 3 hour ultimate adventure.

## First Class

The 45 ft. M/V Island Quest, custom built for whale watching, is certified to operate beyond inshore waters, ensuring St. Andrews' highest sighting rate possible. With comfortable inside and outside seating, magnificent 360° viewing from two spacious decks and a washroom, our cruises are suitable for all ages.

**"ISLAND QUEST MARINE ADHERES TO THE BAY OF FUNDY WHALE-WATCHERS CODE OF ETHICS"**

## Touch...

ONBOARD TOUCH TANK

■ Cruise past a floating fish farm... learn the incredible process that delivers some of the finest salmon to the tables of the world.

## Authentic

■ Experience a herring weir demonstration with all the hands-on educational tools... learn how sardines get from the water to the tins.

■ Observe the 'Catch of the Day' (lobster, cod, haddock, pollock, shark, just to name a few), as our Captain pulls alongside family and friends.

## Feel...

WHALE BALEEN

Our local Captain and Marine Biologists give expert commentary on the region's culture, history and marine wildlife!

SCENIC LIGHTHOUSES

SPECTACULAR SEASCAPES

ABSOLUTELY FASCINATING

Our Captain's boat handling and experience plays a large part in your comfort and safety. Along with the wide, stable design of our vessel, we offer passengers the least chance of sea sickness in the industry.
